

D. Jorwin

SUPPLY DIVISION WEEKLY REPORT

PERIOD ENDING 21 FEBRUARY 1984

I. Progress Report on Tasks Assigned by the DCI/DDCI:

None.

II. Items or Events of Major Interest that have Occurred During the Preceding Week:

b. Support of OC PRS Installation (Recapitalization Program):

During the week of 13 February, Supply Management Branch processed requisitions for nine stations in support of the OC Recapitalization Program. Each requisition is for approximately 100 line items and required a substantial effort by Commodity Team B to complete these requirements in a timely manner. This project is progressing satisfactorily, and to date we have processed requisitions for 14 stations in support of this program.

c. New Trainees:

entered on duty with Supply Division on 16 February as a Supply Officer Trainee.

entered on duty with Supply Division on 16 February as a Supply Trainee. In her most recent assignment, she was the secretary to the Executive Officer to the DDA.

III. Significant Events Anticipated During the Coming Week:

None.
